Tourist Ticket

How to use the ticket?

IF YOU HAVE A PREPAID FARE ON THE TICKET

You can take any form of public transportation throughout Pilsen as often as you want. Simply keep your Tourist Ticket with you (you don't have to place it against the ticket reader in the vehicle) and take it out only if a ticket checker asks you to present your ticket.

IF YOU HAVE AN E-WALLET ON THE TICKET

When you enter the public transportation vehicle, use your Tourist Ticket to purchase fare from the Cardman ticketing machine.

Select the type of fare on the Cardman and place your Tourist Ticket against the card symbol on the machine. The Cardman will print out a ticket with the time the ticket is valid. If a ticket checker asks you to present your ticket, show him or her the ticket that the Cardman has printed out for you.

Type of fare	Basic fare	Reduced fare
30 min	CZK 16	CZK 8
60 min	CZK 20	CZK 10
180 min	CZK 34	CZK 17

Returning the ticket

Tourist tickets can be returned at all Pilsen public transportation sales outlets. If you still have credit on your e-wallet when you return the ticket, it will be returned to you without any deduction. The amount you paid when you received the card will be refunded to you if return the card undamaged.
